Playing Games with Dinosaurs

Playing hide-and-peek with dinosaurs
Sounds like jolly fun,
But it isn't – I can tell you –
When the game has just begun.
When you shout "One, two, three, steady!"
And then "Ready, here I come!"
You will spot the dinosaur at once
By its huge round scaly bum.
While its head's stuck in a hidey-hole
Its rump's up in the air,
And a dinosaur's bottom
Can be seen from everywhere.
So play cricket with a dinosaur
Or tell it stories for a week,
But if you want a good time,
Don't play hide and seek...

Rex T's Wreckers Yard

Get your motors mangled
Get your sidecars scrunched
Get your cycles shattered
Get your caravans crunched
Get your bonnets buckled
Get your tractors trashed
Get your lorries levelled
Get your buses bashed

Bring your scrap from yesteryear
Riddled, rotten rust
We can batter it, bend and flatten it
Pummel it into dust

Bring your metal, we can move it
We can squash it, crush it, cube it
No truck is too much and no car is too hard
Scaly tails swing and smash 'em
Stomping feet and claws that crash 'em
Metal munching megamouths at Rex T's
Wreckers Yard!
