Checking for sense

CAN YOU?

- Check you understand what you are reading as you read.
- Stop and think if you don't understand something.
- Go back and check to help you understand.

SKILLS CHECK

It is important to keep track of what you are reading. Think about the meaning as you read.

If the text does not make sense, check: is the text wrong, did I read it incorrectly or are there words I don't understand?

Are the words in the wrong order? Are there words that shouldn't be there? Are any words missing?

The storm was wild and the waves horse were huge.

The extra word is **horse**.

I wild can see horses.

The words are in the wrong order.
