

# SAY HELLO TO COLIN!

*Colin is no ordinary flower.*

*He smells appealing - just like the other flowers around him.*

*The only trouble is, he crackles and crunches and flutters in the wind.*

*Because Colin is a crisp packet!*

# LITTER PICKING TIPS!

Top tips about helping our planet from eco-expert and author Sarah Roberts

1. Make sure you are with a grown up
2. Always wear protective gloves
3. Use a litter picking device where possible
4. Wash your hands before and after
5. Take a bucket or sack to carry your litter
6. Don't touch your face whilst picking up litter
7. Clean your equipment before and after you use it

**Somebody Crunched Colin** is the newest book from the author of **Somebody Swallowed Stanley**. It tells the important story of just one abandoned crisp packet and the impact that litter can have on the environment unless, of course, you recycle.
